

**Wild Ennerdale Partners Meeting**  
**Thursday 30<sup>th</sup> March 2023**  
**FE office, Peil Wyke, Bassenthwaite**

**Ennerdale & Kinniside PC slot (11-11.45am)**

**Notes**

Welcome to Ric Outhwaite (Chair) & Sandra Guise (Councillor)

Update on PC: currently 7 members. PC AGM in May (min 9 nominations required for voting). Jane Colman remains as Clerk.

Chair to produce an annual report to members by 18<sup>th</sup> April, ahead of AGM.

Question from Ric about litter and equipment for locals who are actively litter picking in and around the village. Some kit given on the day & more will be ordered.

Questions on beaver engagement: timings & what format future engagement will take.

First stage has been to appoint a project officer (Hayley) and share information through various engagement methods (online, drop-ins, newsletters, webpage & site visits).

We are committed to further engagement and consultation and are planning how that will happen this year. The PC will be kept informed in due course.

**Visitor management & engagement**

Local concerns around visitor management, in particular traffic and parking.

Wild Ennerdale has been considering visitor engagement themes & opportunities exist to work together with PC/community on a shared vision.

The Stewardship Plan, Community Led Plan & VMAP's all exist with a visitor element & these need to be aligned with any new document.

May need to look to bring in a facilitator (offers neutrality) & which LDNP could support.

Look to bring together a small 'working group' to start initial discussions by end of June.

Ric, Sandra & Rachel to discuss & arrange meeting date.

Benches on Broadmoor – request from PC previously for benches to be provided on the new Jubilee path. Rachel to enquire.
